AU, NS, SR, and N grades are excluded. Succesful grades include A, B, C, S, P, P1, P2, and P3
The average course success rate at GTCC is 73.9% in Fall 2023. This is up from 72.1% in 2022-23.
The average GTCC withdrawal rate is 8.4%, average percent receiving a D is 3.7%, average percent failing is 12.3%
The average success rate for all courses in NCCCS is 75.9%.
The courses with success rates more than 5% above the NCCCS average for the specific course are coded as green
The courses with success rates within 5% above or below the NCCCS average for the specific course are coded as orange.
The courses with success rates more than 5% below the NCCCS average for the specific course are coded as red.
